Performance Participation and Photography

- For students that are participating in more than one show, their attendance is required for all performances in which they are scheduled. We understand this is a commitment on your part as a parent and appreciate your cooperation in this matter. Each student is important in the overall success of the recital/performance and when a student is missing it disrupts the choreography/skit for the rest of the class.
- Dress/tech rehearsal attendance and participation is required to be part of the final performances.
- For the safety of your child(ren) and as a courtesy to our other patrons, no video taping or photography will be allowed during any of the performances. Please refer to the Parent Observation section on page 9 for dance dress rehearsal photography guidelines.

- **Volunteer Suggestions...**In order to have an equal distribution of volunteers among each of the rehearsals and shows we request that volunteers try to accommodate the following guidelines. By signing up according to the guidelines below, we can ensure that all families are available to watch their child(ren) perform and have an opportunity to be part of our backstage team.
 - ❑ **Starting Up** families volunteer for the Tuesday dress rehearsal and Friday Show. We recognize that Starting-Up students will not be performing on Tuesday or Friday but your presence backstage or in the dressing rooms would be amazing.
 - ❑ **Level 1** families volunteer for the Thursday dress rehearsal and Saturday Show.
 - ❑ **Level 2/3/4** families volunteer for one corresponding rehearsal and show (Tues/Fri or Thurs/Sat).

If you are unable to volunteer according to these suggestions, you are more than welcome to sign-up for what works with your schedule.

Section E: Theatre (cont'd)

Costumes and Make-up

- Costumes will be distributed during class time the week of March 25th (Saturday classes will receive their costume on March 23rd). Your account must be in good standing to receive your costume. Costume accessory information will be handed out with your costume.
- Students may arrive in costumes (make-up should be applied after the student has changed into their costume). This will help protect the costumes. As a reminder, parents are responsible for doing their student's hair and applying their theatre make-up for each performance. Each student needs to have an undershirt and shorts worn beneath their costumes upon arrival. This policy allows students to change in their dressing areas as well as backstage while being modest.
- All costume items and accessories must be labeled with the student's first and last name.
- The tech rehearsal is closed to all parents, siblings, and visitors. All parents, siblings, and visitors must remain in the cafe, the Performing Arts wing, or may leave and return at time of pick-up.

Volunteer Information

Your support is critical to the success of our shows. All classes perform in two of the three performances. This allows parents to volunteer for one show and watch the other to meet the expectations of the volunteer commitment deposit. Please sign up for two spots no later than **Friday, April 19, 2019** to meet your volunteer commitment.
